

Why Manage Your Fuel ?

Professional fuel & tank management

Why Manage Your Fuel ?

- ▶ 70% of engine / generator failures are fuel related.
- ▶ Are you sure your back-up generator will run in an emergency situation?
- ▶ Has your fuel been in storage for more than 6 months?
If so how sure are you that it is water and contaminant free?
- ▶ Don't dump – cleaning is more cost effective and greener.
